

...Declare how much God has done for you.

Luke 8:39b

“Instead of looking at ourselves seeking the answers we want to hear, we are told to look for what God has done for us—even, I dare say, without asking. Then go and share our joys and experiences of how God has loved even us.”

From the Pastor

I found this piece of narrative as I was doing the Knob Knews this week. After a good 2-week vacation [with family], I was feeling a bit overwhelmed upon return. It's not that I had not anticipated what was coming—it's that it seemed to just keep coming. Bulletins, Knob Knews, rescheduled Board meeting, plus regular and special meetings, the 'when it's way to busy' call from the reoccurring request from a perennial needy one—just a ride to Springfield — all these things pry at ones mind and all I can hear is **“Help! I need a vacation from my vacation!”**

Yet in the busyness of the “Back to School” days, I sometimes forget to take some time and count *my* many blessings

and name them one by one, and see what God has done.

This first Sunday in September is full of activity. I fear too much activity to give warrant to all that will be experienced. Hopefully a little better planning will let us experience a few things better and not be on top of each other so much, *“But somehow it will all work out!”*. In this addition you will see that there are new things beginning this Fall. Sonshine club kicks-off next Sunday. Enon clergy are synchronizing their morning messages on building **Community** in different ways each of the 4 Sundays. Our Stewardship Program begins in 3 weeks—watch for it. This will help us in working on the 2015 budget and financial outlook for Knob Prairie. Even an outdoor movie experience is being planned. EER is in need of donations. #Activity everywhere you look!

So, come on, look around; count your blessings see what God has done—given us opportunities to shine in His name.

In His Service, **Tom**

Notice:

Watch for a letter from the church board asking for a financial pledge for 2015. Your willingness to share this information will give the board a helpful planning tool for 2015.

Blessed
TO BE A BLESSING.

“...all peoples on earth will be blessed through you.” (Gen 12:3; 22:18)

The Finance Committee has worked especially hard in finding the most helpful way for our church to fund the ministry of our many church ministries. Please give prayerful consideration to it. Blessings!

Missions Committee

A huge thank you to every one who helped make our annual pig roast a success. It was a great day of super food, fun and fellowship. The profit was about \$1800.00.

The mission of the month for September is Enon Emergency Relief. The food supply is running low so we are collecting canned vegetables (NO corn or green beans), potatoes, jelly and soup (NO tomato). Please put your donations on the counter marked EER in the narthex. Special thanks to Doug and Debbie for the great display on the Mission Table.

"This month the Fellowship Committee has been busy finishing up old projects and starting new, soon the pictorial directory will be printed and ready for the use of the congregation. As for new projects the Committee has been looking forward to get out with the community, as such we are happy to announce our hosting of a Family Movie Night to be held on October 3rd (with the 10th as a rain date). A screen and projector will be set up outside the rear of the church to play a Pixar movie, that children and adults can both appreciate, for the community. Popcorn and drinks will be provided as well as ground to sit on, seating is optional. We are happy to host this night out for the community and welcome all who attend!"

“Community” Wide Sermon Series

The Enon Community Ministers are jointly preaching on the topic of “Community” for the month of September. Since we have been working in Jesus name as a united Christian Group for several years, we decided to focus our sermons on the concept of **COMMUNITY**, together. As we are an example to our neighbors in working together despite our individual faith perspectives, we are hoping that this common thread will help us expand our working together. Let's build **COMMUNITY** together in His name!
